CALFED BAY-DELTA PROGRAM

Public Comment

Date July 27, 1999

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I urge your program to support water-conservation methods in agriculture as opposed to encouraging water consumptive agriculture by allowing farmers to continue current practices. It is essential that freshwater flows to the Bay increase. I certainly do not support further stresses to the ~~CA~~ ~~eco~~ environment ~~by~~ such as new dams or expanding existing reservoirs.
