SEP 13 1999 854

Dear Mr. Sims,

I am writing in concern of the revised CALFED plan. I support CALFEDS proposal of restoration for the Central Valley, including removing some facilities such as the Englebright dam, which is hurting the natural eco-system in the area.

The revised plan seems counter-intuitive to the original idea behind CALFED. I would appreciate a written response to this point.

Thank you,

Paul Atwood
