Lester Snow
Executive Director, CALFED
1416 Ninth Street
Sacramento, CA 95814

Dear Mr. Snow:

Please consider this letter a response to the revised CALFED plan.

I oppose CALFED's plan to increase surface water storage in the Central Valley by raising existing dams or building new offstream storage reservoirs. Instead, I urge CALFED to expand water conservation, efficiency and reclamation programs designed to stretch our existing water supplies.

I support CALFED's proposed restoration goals for the Central Valley, including removing some facilities such as the Englebright dam, that act as barriers to migrating salmon, acquiring riparian habitat, and increasing instream flows for fish, wildlife and recreation. It is our responsibility to use what we have wisely and not to continue to take what we do not need.

I appreciate your time and consideration. I look forward to hearing your position on this issue.

Sincerely,
Jennifer Morey
