Lester Snow
Exec. Dir CALFED
1416 Ninth St.
Sacto CA 95814

Mr. Snow,

CALFED's plan to raise existing dams or building new reservoirs are horrible decisions in water use planning & conservation. California has got enough DAMS! Already!

I urge your agency to reconsider & better plan to use existing water supplies & structures as well. Your agency ~~is~~ will be a damning force against the nature & the wildlife inhibited there if you proceed w/ the plan.

Thank you for your consideration.

Regards,

E. Fugazzotto
