LESTER SNOW 8/7/99

EXECUTIVE DIRECTOR, CALFED

1416 NINTH STREET

SACRAMENTO, CA 95814

DEAR MR. SNOW,

CALFED'S PLAN TO INCREASE THE STORAGE OF WATER BY RAISING EXISTING DAMS OR BUILDING NEW ONES WOULD CAUSE A LOSS OF WATER TO THE SACRAMENTO RIVER. THIS WOULD BE DETRIMENTAL TO THE ALREADY ENDANGERED ECOSYSTEM IN THE SURROUNDING AREA.

I SUGGEST THAT CALFED FINDS NEW WAYS TO IMPROVE WATER EFFICIENCY AND CONSERVATION, INSTEAD OF BUILDING MORE DAMS.

I DO SUPPORT CALFED'S PROPOSED RESTORATION GOALS FOR THE CENTRAL VALLEY, SUCH AS REMOVING ENGLEBRIGHT DAM, THAT AFFECTS MIGRATING SALMON.

I HOPE YOU TAKE THIS INTO CONSIDERATION. THANK YOU

SINCERELY,

JOHN WOY
