LESTER SNOW
EXECUTIVE DIRECTOR, CALFED
1416 NINTH ST
SACRAMENTO CA 95814

I AM HERE ON THE SOUTH FORK OF THE AMERICAN RIVER ON A RAFTING TRIP THAT SOME FRIENDS HAVE ORGANIZED. I HAVE HEARD OF THE CALFED PLAN TO RAISE DAMS AND BUILD NEW OFFSTREAM STORAGE RESERVOIRS AND AM OPPOSED TO IT. CONSERVATION IS AN IMPORTANT PART OF NATURAL RESOURCES THAT MUST BE TAKEN INTO ACCOUNT SO THAT FUTURE GENERATIONS CAN ENJOY WHAT WE HAVE TODAY.

THANKS FOR YOUR TIME
