Lester Snow
Executive Director, CALFED
1416 9th St
Sacramento CA 95814

AUG 19 1999

0223

Dear Mr. Snow,

Please consider this letter a response to the revised ~~plan~~ CALFED Plan.

I ~~oppose~~ OPPOSE CALFED's plan to increase surface water storage in the Central Valley by raising existing dams or building new offstream storage reservoirs.

I urge CALFED to expand water efficiency.

I do support CALFED's proposed restoration goals for the Central Valley.

Thank You

Lewis Cranfield
