8/14/99

Lester Snow
Executive Director, CALFED
1416 Ninth Street
Sacramento, CA 95814

Dear Mr. Snow:

Please reconsider CALFED's plan to increase surface water storage in the Central Valley. By raising existing dams such as Shasta dam would flood segments of the Sacramento and McCloud rivers. Being one of the many river lovers in California, I strongly urge you to revise these proposals.

Sincerely,

Jeff Cho
