**Award and Scholarship Opportunities Set for the California
Water
Policy Conference**

**The 15th annual California Water Policy Conference with the
theme
"Escaping the Constraints" is now
accepting applications for both their awards and scholarship
programs.**

**The conference, which involves leaders from all sides of the
water
politics spectrum will be held November 17 & 18 at the
Renaissance
Hollywood Hotel in Hollywood, California. Through its 16
workshops
and multiple plenary session, conference participants will
explore
some of the most divisive and hopeful issues facing the future
of
water in all parts of the state.**

**In recognition of the need to "Escape the Constraints" that
prevent
the state from achieving a better, more sustainable future, this
year's conference is accepting applications for people, projects,
and
organizations that have voluntarily moved beyond the
constraints or
have overcome obstacles in order to move California water
policy
forward. Award applications are available on the conference
website**

at <http://www.cawaterpolicy.org> and are due on September 9.

Conference scholarship applications are also available from the website. Selected scholars will receive help with transportation, lodging and registration fees. Applications are due on September 8.

The conference agenda is posted on the website. For more information, contact the conference coordinator, Debbi Dodson at ddodson@san.rr.com or at 858-272-9627.
