Lester Snow
Ex Director, Calfed
1416 Ninth St.
Sacramento Ca. 95814

Dear Mr Snow,

I oppose Calfed's plan to increase surface water storage in the Central Valley by raising existing dams or building new offstream storage reservoirs.

I urge Calfed to expand water efficiency, conservation, & reclamation.

I support Calfed's proposed restoration goals for the Central Valley, including removing facilities on the Englebright dam. Thank you for your time. Sincerely Tom Furnk
