Dear Mr. Snow:

Please consider this letter a response to the Calfed Plan.

I oppose CALFED's plan to increase surface water storage in the Central Valley by raising existing dams or building new offstream storage reservoirs.

I urge CALFED to expand water efficiency, conservation, and reclamation programs to stretch our existing water supplies, instead of building new dams and canals.

I enjoy our rivers very much and would like my children and grandchildren to have the chance to enjoy them as well. Please drop me a line telling me what your thoughts are regarding this.

Sincerely,
Lorraine Lona
