Lester Snow
Executive Director, CALFED
1416 Ninth Street
Sacramento, CA 95814

Dear Mr. Snow:

I am not quite sure of what your intentions are for raising the Shasta Dam, but I know that it will be bad for the Sacramento and McCloud rivers.

Spending a day here at the river today has made me appreciate the habitat of the natural surroundings. I don't want to see things change so unless your intentions are for the best of the river then I urge you to reconsider your plans.

Sincerely

Marian [illegible]
