Lester Snow
Executive Director, CALFED
1416 Ninth St
Sacramento, CA 95814

Dr. Mr. Snow,

Please stop building so many dams. Perhaps more efforts towards conservation are a better way to go. Along with sustainable means, these would go much further than simply building another dam.

Please take the high road and use some vision instead of caving in to the agro-lobbyists.

Sincerely,

Pedraum & Ariane Pardehpoosh, M.P.H, M.A
Woodside, CA.
