8-28-99

SEP 13 1999 850

Lester Snow
Executive Director, Calfed
1416 Ninth St
Sacramento, CA 95814

This letter is a response to the revised Calfed plan. I oppose Calfed's plan to increase surface water storage in the central valley.
I oppose the building of more dams & diversions that will cause addition ecological problems.
Thank you for your time & consideration & I look forward to hearing your position on this issue.

Sincerely,
Peggy Westgard
