1267 SEP 23 1999

Please, please, please, NO NEW DAM'S. Just remove some. Also please no new + or extended Canals.

Prevent pollution at the source.

Guarantee more FRESH WATER flows + protect the sources of same.

Think Water Conservation.

Think of our future generations need for Wilderness, fish in our streams by natural means (not hatcheries)

Preserve The Delta for everybody + everything that Water holds
