May is Watershed Awareness Month! In honor of Watershed Awareness Month, the California Bay-Delta Public Advisory Committee Watershed Subcommittee is holding a special meeting at the Cache Creek Nature Preserve in Woodland. Please join us for a series of poster presentations highlighting local watershed assessment and planning projects funded by the CALFED Watershed Program. The poster presentations will be followed by a special thank you to stakeholders for their dedication to the CALFED Watershed Program.

Following the Watershed Subcommittee Meeting, the California Watershed Network will host a networking BBQ catered lunch (*RSVP required for lunch, please!*). Afterward, meeting participants can spend time touring the grounds of the Cache Creek Nature Preserve; hike the nature trails, view the restored wetlands, or visit the tamarisk removal sites.

**California Watershed Network
Invites you to a Networking BBQ Lunch**

California Watershed Network (www.watershednetwork.org) is hosting a BBQ Networking Lunch immediately following the BDPAC Watershed Subcommittee. Lunch includes BBQ tri-tip or chicken, baked beans, green salad, roll, and beverage. Because the BBQ lunch is catered, RSVPs are required. Jones & Stokes (www.jonesandstokes.com) and Inland Empire Utilities Agency (www.ieua.org) have graciously sponsored a portion of the BBQ lunch to offset the lunch costs (fee for lunch will be approximately \$7.00/person – check or cash payable at the meeting).

Please RSVP no later than Wednesday, May 18, to:
