

Message to those interested in CBDA Environmental Justice:

This is an appeal to each of you to attend the upcoming EJ Subcommittee meeting on Friday November 14, 2003. The meeting is an important one which will focus on revamping the subcommittee to better address environmental justice in the Bay Delta Authority. Among other things, we will take a first look at adopting "Goals and Objectives" for each Program Element. This along with the other items on the agenda will require real commitment from those interested in this work. A **timeline** will be presented for undertaking these and other actions, and **assignments** will offered to help complete these tasks in a timely manner. Your presence is encouraged. (Please see the EJ page on the CBDA website {<http://calwater.ca.gov>} – it has some of the meeting materials and lots of new information as well!)

Regards,
Ken McGhee
