

## **Delta Levee Maintenance Subventions – Program Status September 3, 2004**

### Fiscal Year 2004-05

Staff has completed the review on 64 applications and faxed a table showing categorization of the work to district engineers. We made changes to our table based on input we received from district engineers.

Staff will request The Reclamation Board's approval of Applications, Reimbursement Limits, and Advances on September 17, 2004. We are requesting approval of \$6 Million in local assistance grants. A copy of the report to the Reclamation Board is attached.

### Fiscal Year 2003-04

The Reclamation Board has executed 63 work agreements.

Staff received a progress claim for advanced reimbursement from RD 2122, Winter Island. Final claims have been received from RD 830, Jersey Island, and RD 2086, Canal Ranch Tract. The Deadline for final claims is September 30, 2004.

### Fiscal Year 2002-03

The final reimbursement summary for the FY 2002-03 Program is attached.
