

Governor's Strategic Growth Plan

\$29 Billion over 10 years

- Bonds & Water Resources Investment Fund provide stable funding for:
 - Regional Investments
 - Statewide Investments
- Bond financing jump starts investments (\$6.5 billion)
- WRIF provides continuous and sustained investments (about \$5 billion)
- Bonds and WRIF create incentive for other local investments and provide cost share to obtain federal matching funds (about \$17.5 billion)

Major Issues

- Fees
- Funding for parks and land conservation
- Governance for IRWM
