

Environmental Water Quality Session

Water Quality Subcommittee Structure

Historical: Drinking Water Quality

December 2006: Environmental WQ
moved from ERP to newly-named WQ
Subcommittee

Now:

Environmental WQ + Drinking WQ

Discussion Questions

1. What are environmental water quality priorities?
2. Are there specific actions that should be taken now?
3. Are there emerging environmental water quality issues?
4. How does Subcommittee want to engage in the Water Boards Delta Strategic Plan development?
